MABEL PARK STATE HIGH SCHOOL

We have just gone through a complete re-branding of our school and part of this was the development and design of new uniforms. I found P&C Uniforms the easiest and accommodating company to deal with. They were able to guide us through a range of design concepts to match our new logo and colours. I would highly recommend the service that P&C Uniforms have provided throughout the design and development of a full range of uniforms for our school.

DYSART STATE HIGH SCHOOL

We received our uniforms today and WE LOVE THEM!!! We honestly have been so pleased with your service, communication and they arrived early! The sizing is great and we just couldn't be happier. The kids are so excited to get to be the first to wear their new uniforms. Thanks so much, I have already begun recommending P&C Uniforms to other music teachers.

ATWELL PRIMARY SCHOOL

The Saints shop at St Augustine's College in Cairns has had the pleasure of dealing with P&C Uniforms since 2004. The most outstanding feature of P&C Uniforms would have to be the quality. Customers of the Saints shop often comment on the excellent quality of the fabrics used by P&C Uniforms. We would not hesitate to recommend P&C Uniforms to any school that was looking to dress their students in smart uniforms of excellent quality.

ST AUGUSTINE'S COLLEGE

Staff at P&C Uniforms possess a great knowledge of clothing and uniform design and clearly explained the compromises and restrictions around design. They were well aware of design issues and provided me with a number of solutions to consider. My school is extremely satisfied with the garments purchased. Quality has been and remains excellent and the return rate is extremely low. Staff at P&C Uniforms are always readily accessible to assist with issues. I can recommend their service with great confidence.

COOMERA RIVERS STATE SCHOOL
